

Survival Guides from Quay Books

School Nurse Survival Guide: Common questions and answers for the school nurse

Survival Guide series

edited by Jane Wright

- Part of Quay Books' successful Survival Guide series
- Outlines the responsibilities of the school nurse and provides practical advice on handling situations that arise in practice
- Chapters cover all major aspects of the role, from clinical skills to child protection to auditing processes
- Written by experts in the field, this unique book provides a clear introduction to the role of school nurse and offers contextual advice and guidance for managing common and unexpected situations
- Information is presented in a user-friendly question and answer format, for easy reference
- Can be used as an aide memoire in practice settings
